WELCOME MESSAGE

Dear colleagues,

On Behalf Of The Organising Committee, It Is My Honour To Welcome You To Continuing Medical Education On Neurology (COME ON) 2026.

COME ON Is The Annual National Scientific Meeting Organised By The Bandung Branch Of The Indonesian Society Of Neurology (PERDOSNI). It Serves As A Dedicated Forum For Neurologists, General Practitioners, And Allied Professionals To Engage With Contemporary Developments In Neurological Science And Clinical Practice. Indonesia Faces Unique Neurological Challenges Shaped By Its Population Diversity, Healthcare Accessibility, And Resource Variability. COME ON Was Established To Bridge International Neurological Advances With Real-World Clinical Implementation In Indonesia, Ensuring That Innovation Translates Into Practical, Patient-Centred Care Across Different Healthcare Settings.

The 2026 Edition Is Guided By The Theme **“Tech-Enabled Neurology: Practical Tools For Patient-Centred Care In Indonesia.”** This Theme Reflects The Growing Role Of Technology, Data-Driven Decision-Making, And Interdisciplinary Collaboration In Modern Neurology—While Emphasising Feasibility, Adaptability, And Equity In Everyday Clinical Practice. Through A Comprehensive Programme Of Symposia, Workshops, And Focused Discussions, COME ON 2026 Aims To Foster Critical Thinking, Strengthen Clinical Competence, And Encourage Meaningful Collaboration Among Professionals Committed To Improving Neurological Outcomes Nationwide.

We Warmly Invite You To Participate In COME ON 2026, To Engage In Thoughtful Exchange, Share Experiences, And Contribute To The Ongoing Advancement Of Neurological Care In Indonesia.

Iin Pusparini, MD, Sp.N, FINA
Chairperson COME ON 2026
